

## **University VS Apprenticeship fair 2018**

Dear Parent/Guardian,

I would like to bring your attention and formally invite both yourself and your child to the annual 'University VS Apprenticeship' fair hosted by Kirk Hallam Community Academy. This is a chance for young people, teachers, parents and guardians to find out about potential post 16 & 18 opportunities. It is geared towards helping young people find out more about; College, University and Apprenticeship routes, so they are able to make informed choices about their future.

This year's event is being held on **Thursday 6th December** and will take place between 16:30—18:30 in the lakeside hall. Please feel free to drop in at any time between those hours with the intention of staying as long as you require gathering the information needed.

We believe this event is extremely useful for all students in years 11/12 and 13 and would encourage the attendance of all aforementioned year groups. It allows students and parents alike an opportunity to speak to a variety of providers, all in a familiar surroundings.

Please see the attached poster for more information on the event including some of the guests we will be welcoming at the event.

We sincerely hope to see you there,

Mr B Hughes.
