**RE: Sixth Form Open Evening, 5:30pm to 7:00pm, Thursday November 8<sup>th</sup>**

I am writing to invite you to our Sixth Form Open Evening. The evening will start at 5:30pm with a short presentation in the Lakeside Hall followed by the chance for you, and your son/daughter, to have a look around the building, find out about the courses on offer, talk to the specialist subject teachers and discuss sixth form life with the students who are experiencing it.

This year, alongside a range of A-levels, we will be offering a selection of vocational courses to improve the choice available to our Year 11 students and to help even more of them secure routes into higher education, employment or work-based training.

The choices your son/daughter makes now are likely to have a profound impact on their life. It is important therefore that they gather as much information as possible, first hand, to ensure that they are well-informed.

We believe that our Sixth Form is an excellent choice for students wishing to study post-16; we are large enough to be able to offer a range of successful Level 3 courses yet small enough to get to know the students well and give them the individual support they need. Please do come along to the Open Evening and find out what we have to offer.

Yours sincerely,

Mr D Cowley
