Part A: Pupil premium strategy plan

Statement of intent

The Pupil Premium (Disadvantaged) strategy is designed to take into account the community we serve and the barriers they face. All actions are designed to give our disadvantaged students at least the same level of opportunities as their non-disadvantaged peers through our core drivers; outcomes, values and choices. At Kirk Hallam Community Academy, we are committed to ensuring maximum progress for all students.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Low levels of literacy and oracy
2	Low levels of social/emotional skills and Cultural Capital
3	Low levels of aspiration (Attendance, behaviour, careers)
4	Accessing the curriculum

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Outcomes	Performance is at least in line with National Average
Improve attendance levels and reduce suspensions	Students eligible for PP will achieve, or exceed, attendance percentages in line with national average data available. Strategies implemented will reduce suspensions against the previous academic year

Provide meaningful support for students' emotional and mental health	Students access support and student voice/questionnaire data demonstrates its positive influence. At least 90% of students surveyed agree that the school supports their mental health and wellbeing
The curriculum has been uplifted and redesigned to ensure it is ambitious for all students <ul style="list-style-type: none"> Curriculum redesign Regular CPD/collaboration 	Students receive consistently good teaching across the academy <ul style="list-style-type: none"> QA demonstrates effective use academy expectations. Teacher Voice demonstrates impact of CPD and sharing good practice
Access to Careers Education, Information, Advice and Guidance	Provide access to a high-quality careers programme to support students in their next step. NEET figures demonstrate better than local and national averages
