

1<sup>st</sup> June 2020

Dear Parents & Carers,

I am writing to outline the uniform expectations for the 2020/2021 academic year for Years 7 to 10. Year 11 students will receive separate information in due course.

Uniform is an integral part of school life. It represents excellence, high standards and a pride in ourselves and our school community. With this in mind we need to be very clear in our expectations of our uniform and we ask for the cooperation of students and parents in maintaining these. Please ensure that you read this carefully and understand what is and isn't allowed.

Within this letter you will find an overview of the uniform requirements with the aim that they will be introduced from September 2020. Please note that this is not a change in policy, but is a response to parents request for more clarity.

We understand that this is a very challenging time at the moment and we are endeavouring to give you as much notice as possible. Similarly, we are yet to have clarity with regards to what school will look like in September. Please work on the premise that these will be the uniform expectations once 'normality' returns but be aware that this may not be when the students return immediately after the summer holidays.

Yours sincerely

Damian Belshaw  
Head of School
