

6<sup>th</sup> November 2020

Dear Parent/Carer

I am writing you remind you of an excellent revision tool that we have invested in and is available to all of our students. GCSEPod is an award-winning digital content and revision provider that can support revision outside of the classroom. Your child can log on at [www.gcsepod.com](http://www.gcsepod.com) to watch revision videos and attempts quizzes for their GCSE subjects. They all have their log in details as they have been using this tool throughout last year's school closure.

Additionally GCSEPod are hosting a series of free webinars in the coming weeks designed to help students focus on motivation, mindset, working smarter and achieving the optimum study/life balance. The sessions have limited numbers so we'd encourage you to book onto them quickly to secure a place and more information including how to book can be found on their website under the heading "Student Webinars".

<https://www.gcsepod.com/podup-presents-webinars/>

During the webinars there is an opportunity to ask questions. Students have the option to remain anonymous and just watch the webinar and parents are welcome to watch alongside them. The webinars will work on tablets as well as computers and joining instructions are emailed following successful registration.

We hope as many students as possible take up this free opportunity to support their studies.

Yours sincerely

Mr T. Pearce  
Deputy Headteacher
