

Student Cycle Overview

***Excellence.
No Excuses.***

The subject content for this achievement cycle is shown below.

At the end of the achievement cycle there will be an **assessment** of this material.

You should keep an organised file of notes to help you revise and prepare.

Achievement Cycle 1	Science	Year 9	Tiers 5/6
Code	Description		
S9.1.1	Energy stores and transfers		
S9.1.2	Calculating Energy		
S9.1.3	Work Done		
S9.1.4	Thermal Energy		
S9.1.5	Heating and thermal equilibrium		
S9.1.6	Specific heat capacity		
S9.1.8	Metabolism		

Student Cycle Overview

***Excellence.
No Excuses.***

The subject content for this achievement cycle is shown below.

At the end of the achievement cycle there will be an **assessment** of this material.

You should keep an organised file of notes to help you revise and prepare.

Achievement Cycle 1	Science	Year 9	Tiers 1/2/3/4
Code	Description		Revised?
S9.1.1	Energy stores and transfers		
S9.1.2	Calculating Energy		
S9.1.3	Work Done		
S9.1.4	Thermal Energy		
S9.1.5	Heating and thermal equilibrium		
S9.1.6	Specific heat capacity		
S9.1.7	Energy Costs		
S9.1.8	Metabolism
