Cambridge National Level 1 / 2 Sports Studies Hodder Education</p>

The projects can be completed without any help from resources as the questions and tasks have been structured so pupils can succeed. Pupils can use the internet for examples and information but must write everything in their own words. The theory they have learnt in lessons will help them alongside their general knowledge of sport and sporting examples. All they have to do is try their best and the feedback from their teachers will be structured to help them improve by ensuring the pupils are including all of the key points,
